Hi Cindi!

Yes. We should have folks from Seldovia, Chickaloon, Tyonek, and Nanwalek. I'll send out the presentation with a reminder tomorrow morning.

Katherine,

Attached is the .pdf of the powerpoint I am going to present tomorrow afternoon. Did you hear back from anyone but Seldovia? The presentation is pretty basic on the generic permit process, touches on the need for an ODCE and at the end shows what discharges are permitted under the GPs.

Please distribute as necessary. Thanks.

Cindi
